Title: **ROCnREG: AN R PACKAGE FOR RECEIVER OPERATING CHARACTERISTIC CURVE INFERENCE WITH AND WITHOUT COVARIATE INFORMATION**

Article ID: 2020-174

Authors: MARÍA XOSÉ RODRÍGUEZ-ÁLVAREZ and VANDA INÁCIO

Dear Dr. Catherine Hurley,

Thank you very much for having given us the opportunity to revise our work. The referee's report was very helpful and led to improve our paper and package. Together with the revised version of the manuscript, we provide a detailed answering letter to all the comments made by the referee, explaining the changes we have made. We have also updated a new version of the package to CRAN. We hope we have successfully addressed all the concerns raised by the reviewer.

Yours sincerely,

María Xosé Rodríguez Álvarez

Vanda Inácio
