

Dear Editor,

We are pleased to send a revised version of our manuscript, "markovMSM: An R package for checking the Markov Condition in Multi-state Survival Data", with the ID 2022-93, to be published in The R Journal.

Once again, we thank you and the referees for the constructive and helpful suggestions and comments that allowed us to improve the quality of the manuscript.

A point-by-point response to the comments raised by the reviewer is included in a single document.

We appreciate your review of our paper, and we look forward to hearing from you in the near future.

Sincerely,

Gustavo Soutinho
